

First Congregational Church in Hanson Rental Policies 2022

Below are the rental rates for various locations around the Church. They are based on size of the room requested and the number of people expected. These rates do not include mandatory Maintenance fees (flat rate \$150.00) or Funeral or Wedding rates for the church as they are on a separate form comprehensive to the event.

All groups must have an approved Rental Form and must follow the Rental Policy of the First Congregational Church in Hanson as described on the Rental Form. Church Members are exempt from room rental fees, but a suggested minimum donation of \$25.00 and the set Maintenance rates would be appreciated.
